## AUTHORS

**Abramovici D, Mattar F, Sibai BM**  
Conservative management of severe preeclampsia. 80-105, May, oa

**Alger LS**  
Acute respiratory distress syndrome. 25-33, Nov, oa

**Armstrong MS**  
Lyme disease in pregnancy. 31-39, Jul, oa

**Angiolini R, Barreau G**  
Interceded use and adhesion prevention in gynecology. 96-102, Nov, oa

**Archer DF**  
Foreword: Osteoporosis: Assessment, diagnosis, treatment, and prevention. 3, Apr (suppl), ed

**Progestosterone: Pharmacokinetics and physiologic effects. 4-9, Sep (suppl), oa**

**Archer DF; see Speroff L**

**Archer DF, Clisham PR, Ensrud KE, Kleerekoper M, Nunley WC Jr**  
Osteoporosis: Assessment, diagnosis, treatment, and prevention. 4-26, Apr (suppl), sy

**Arendt EA, Saint-Phard D, Shangold MM**  
Active woman: special health concerns. 131-140, Oct, oa

**Averette HE**  
Progress in gynecologic oncology. 125-146, May 15, oa

**Avioli LV; see Speroff L**

**Azziz R; see Speroff L**

**Bachmann GA; see Lobo RA**

**Bachmann GA; see Speroff L**

**Baker CJ; see Mead PB**

**Baker JG, Rosenthal SL**  
Adolescents' risk of STD acquisition: developmental considerations. 79-91, Aug, oa

**Ballantyne M**  
Malpractice. 147-151, Jan, ma

**Ballantyne M, 146-149, Feb, ma**

**Barbieri RL**  
Seven steps to the effective treatment of osteoporosis in your practice. 30-50, Feb, oa

**Barreau G; see Angiolini R**

**Berek JS; see Bristow RE**

**Berga SL; see Speroff L**

**Berkowitz RL; see D'Alton ME**

**Berkowitz RL; see Eddleman KA**

**Berkowitz RL; see Stone JL**

**Bines J, Gradishar WJ**  
Caring for the breast cancer survivor. 37-56, May, oa

**Birge SJ; see Speroff L**

**B-Lynch C; see Cheza RA**

**Bobrowski RA; see Mason BA**

**Boffill JA; see Cheza RA**

**Boffill JA, Martin JN Jr, Morrison JC**  
Mississippi operative vaginal delivery trial: Lessons learned. 60-79, Oct, oa

**Boike GM, Dobbins B**  
New equipment for operative laparoscopy. 43-52, Apr 15, oa

**Borenstein DG, Deyo RA, Marcus NJ**  
Low-tech approach to low-back pain. 80-98, Oct, oa

**Bradshaw KD; see Speroff L**

**Branch W; see Scott JR**

**Bristow RE, Berek JS**  
Surgical management of dysgerminoma. 98-119, Feb, oa

**Burger RA; see Monk BJ**

**Bush TL**  
Effects of progestins on estrogenic cardioprotective effects. 18-26, Sep (suppl), oa

**Buster JE, Carson SA**  
Taking a results-oriented approach to infertility. 100-129, Oct, oa

**Carignan C; see Pati S**

**Carignan C; see Pollack AE**

**Carr RA; see King LA**

**Carson SA; see Buster JE**

**Carson SA**  
Karyotypes. 41-45, Jan, bb

**Mitosis, meiosis, and nondisjunction. 47-51, Mar, bb**

**Cefalo RC, Walter TS, Haack SM, Speichinger JP**  
Missed abortion. Authors' reply. 171, Apr, et

**Cheza RA**  
Twenty-five years of cesarean delivery. 87-97, May 15, oa

**Cheza RA, B-Lynch C**  
B-Lynch suture for control of massive postpartum hemorrhage. 93-98, Aug, cd

**Cheza RA, Boffill JA, Morrison JC**  
Performing vacuum-assisted vaginal delivery. 61-67, Nov, cd

**Cheza RA, Jonas WB**  
One kind of medicine or many? The view from NIH. 123-145, Feb, cd

**Cheza RA, Parsons AK**  
Performing saline infusion sonography. 110-122, Sep, cd

**Cheza RA, Stark M**  
Misgav Ladach method of cesarean section. 81-88, Jun, cd

**Clark LR, Cohall AT, Joffe A**  
Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa

**Clark P, Duff P**  
Pylonephritis in pregnancy. 31-42, Mar, oa

**Clisham PR; see Archer DF**

**Cohall AT; see Clark LR**

**Colla JV; see Macedonia CR**

**Cullins D**  
Malpractice. 124-127, May, ma

**Malpractice. 146-149, Jun, ma**

**Malpractice. 164-167, Jul, ma**

**Malpractice. 168-172, Aug, ma**

**Malpractice. 200-204, Sep, ma**

**Malpractice. 156-159, Oct, ma**

**Malpractice. 138-142, Nov, ma**

**Malpractice. 130-135, Dec, ma**

**Cowan BD; see Stovall TG**

**Cruikshank SH; see Kovac SR**

**Cunningham F**  
Sepsis syndromes. 13-16, Dec, oa

**D'Alton ME; see Malone FD**

**D'Alton ME**  
Ultrasound in obstetrics and gynecology: an imaging revolution. 67-84, May 15, oa

**D'Alton ME, Berkowitz RL, Goldenberg RL, Wapner RJ**  
Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy

**Davidson JM, Lindheimer MB**  
Renal disease. 13-21, Nov, oa

**de Lignieres B, Driguez PC**  
Long-term experience with oral micronized progesterone and effects on the endometrium. 10-17, Sep (suppl), oa

**Deyo RA; see Borenstein DG**

**Dinsmoor MJ**  
Ophthalmia neonatorum. 25-28, Feb, oa

**Dinsmoor MJ; see Mead PB**

**Dobbins B; see Boike GM**

**Driguez PC; see de Lignieres B**

**Duff P; see Clark P**

**Dunaff A; see Speroff L**

**Dunton CJ; see Feld R**

**Eddleman KA**  
Stem cells: What the obstetrician needs to know. 141-155, Jul, oa

**Eddleman KA; see Stone JL**

**Eddleman KA, Stone JL, Berkowitz RL**  
Fetal echogenic bowel: the bottom line. 53-69, Dec, oa

**Elkas JC, Karlan BY**  
Role of reassessment laparoscopy in managing ovarian cancer. 101-111, Aug, oa

**Ellertson C, Koenig J, Trussell J, Bull J**  
Emergency contraception. Authors' reply. 156-157, Feb, et

**Emans S; see Kahn JA**

**Ensrud KE; see Archer DF**

**Erkkila R**  
Sauna vs. hot tub. 173, Mar, et

**Ernest JM, Mead PB**  
Postpartum endometritis. 33-38, Jan, oa

**Eschenbach DA**  
Preventing and managing incisional surgical site infections. 69-85, Sep, oa

**Eschenbach DA; see Mead PB**

**Ettinger B; see Lobo RA**

**Feld R, Dunton CJ**  
Peritoneal abscess drainage in gynecology. 66-74, Apr, oa

**Finan MA, Kline RC**  
Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa

**Current management of endometrial cancer. 85-99, Dec, oa**

**Florida J; see Huelman KM**

**Florida JV, Schorr SJ, Sickles EA**  
Benign breast disorders: first rule out cancer. 154-172, Mar, oa

**Fox HE; see Wallace EE**

**Frank TS**  
Identifying women with inherited risk for ovarian cancer: who and why? 27-50, Dec, oa

**Galbo SG**  
Amniotic fluid indices of maturity. 15-20, Sep, oa

**Garcia J; see Wallace EE**

**Gass ML**  
Myth of calcium. Author's reply. 174, Mar, et

**Gavin AM; see Holzgreve W**

**Genant HK; see Njeh CF**

**Gibbs RS**  
Antibiotic use for preventing preterm birth. 26-32, May, oa

**Gludice LC; see Speroff L**

**Goldenberg RL; see D'Alton ME**

**Goldstein MA**  
Hepatitis B vaccination for adolescents. 153-161, Sep, oa

**Gordon CL; see Njeh CF**

**Gradishar WJ; see Bines J**

**Haab F; see Leach GE**

**Haack SM; see Cefalo RC**

**Hager WD**  
Puerperal mastitis. 27-33, Apr, oa

**Hagerman RJ, Kimbro LT, Taylor AK**  
Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa

**Hans D; see Njeh CF**

**Heimbrecht DD**  
Syncope. 15-25, Jun, oa

**Henderson VW; see Speroff L**

**Hill GE**  
Techniques for isolating pelvic bacterial pathogens. 49-56, Nov, oa

**Hillard PA**  
Legacy of *Roe v. Wade*: protecting women's health through legal abortion. 33-44, May 15, oa

**Hirschberg SJ; see Lipschultz LJ**

**Hsieh CJ**  
Routine antenatal laboratory tests and specific screening tests. 15-22, Feb, oa

**Hwimew MM**  
Clinical management of rape in adolescents. 62-78, May, oa

**Holzgreve W, Sant R, Gavin AM, Hahn S**  
Prenatal diagnosis with fetal cells enriched from maternal blood: Will the promise be fulfilled? 178-188, Sep, oa

**Huelsman KM, Huppert J, Florida J**  
Screening your patients for inherited breast and ovarian cancer: how to collect family history data. 107-132, Nov, oa

**Huppert J; see Huelman KM**

**Im DD, Rosenshein NB**  
Use of ultrasonic surgical aspiration in gynecology. 71-87, Mar, oa

**Inati M**  
Counseling for fetal anomalies. 15-19, Oct, oa

**Ivey P**  
Missed abortion. 171, Apr, et

**Joffe A; see Clark LR**

**Jonas WB; see Cheza RA**

**Kahn JA, Emans S**  
Gynecologic examination of the prepubertal girl. 71-90, Jul, oa

**Karlan BY; see Elkas JC**

**Kaunitz AM, Lentz G, Sherwin B, Kingsberg S**  
Sexuality after menopause. 138-159, Apr, sy

**Kimbro LT; see Hagerman RJ**

**King LA, Carr BA**  
Phytoestrogens: fact or fiction. 49-66, Sep, oa

**Kleerekoper M**  
Biochemical markers of bone remodeling in day-to-day patient care. 35-46, Nov, oa

**Kleerekoper M; see Archer DF**

**Kleerekoper M; see Speroff L**

**Klein J, Klobutcher JA, Saldanha R, Raviele KM**  
Emergency contraception. 156-157, Feb, et

**Kline RC; see Finan MA**

**Klobutcher JA; see Klein J**

**Koenig J; see Ellertson C**

**Kovac SR, Cruikshank SH**  
Public bone subcutaneous stabilization sling: a long-term cure for SUR? 52-76, Feb, oa

**Larsen JW Jr**  
Group B streptococcal infections in pregnancy. 21-26, Oct, oa

**Larsen JW Jr; see Mead PB**

**Leach GE, Haab F**  
Impact of female pelvic anatomy on stress urinary incontinence. 45-59, Oct, oa

**Lentz G; see Kaunitz AM**

**Levine MA; see Salvatori R**

**Lindheimer MB**  
Treatment options for recurrent endometriosis. 34-41, Oct, oa

**Lindheimer MB; see Davidson JM**

**Lipschultz LJ, Hirschberg SJ**  
Sperm-function tests. 87-108, Sep, oa

**Lobo RA**  
Foreword: Current clinical uses of low-dose estrogen therapy. 3, May (suppl), ed

**Foreword: Natural progesterone: Mechanisms, effects, and safety. 3, Sep (suppl), ed**

Reprints of all articles are available. For single copies, call Customer Service, 800-432-4570, and specify the article title and publication date. For multiple copies, call Lisa Lucas, 201-358-7446.

**Lobo RA, Bachmann GA, Ettinger B, Santoro NF, Shoupe D**

Current clinical uses of low-dose estrogen therapy. 4-26, May (suppl), sy

**Lockwood CJ**

Autoimmune disease, 13-31, Jan, oa

**Macedonia CR, Collea JV, Sanders JH**

Telemedicine comes to obstetrics and gynecology. 97-111, Apr 15, oa

**Malone FD, D'Alton ME**

Fetal nuchal fold translucency screening. 117-131, Mar, oa

**Marcus NJ**; see **Borenstein DG**

**Martin Jr JN**; see **Bofill JA**

**Mason BA, Bobrowski RA**

Cardiac disease. 15-26, Aug, oa

**Mattar F**; see **Abramovici D**

**Mead PB**; see **Ernest JM**

**Mead PB**

Infectious diseases in ob-gyn from 1973 to 1998: emerging pathogens and a changing focus. 107-114, May 15, oa

**Mead PB, Eschenbach DA**

Vaginitis 1998: Update and guidelines. 116-132, Jan, cd

**Mead PB, Larsen JW Jr, Dinsmoor MJ, Gilstrap III LC**

Preventing GBS transmission to neonates. 53-69, Mar, sy

**Mead PB, Schuchat A, Baker CJ**

GBS update: a progress report. 71-85, Dec, sy

**Mishell DR Jr**; see **Speroff L**

**Moghissi KS**; see **Speroff L**

**Monk BJ, Burger RA**

New therapies for genital condyloma in women. 81-96, Feb, oa

**Morrison JC**; see **Bofill JA**

**Morrison JC**; see **Chez RA**

**Muto MG**; see **Shepherd JE**

**Nelson RL**

Colorectal cancer screening: why it belongs in gynecologic practice. 49-76, Aug, oa

**Nieh CF, Gordon CL, Hans D, Fuerst T, Ganant HK**

New generation of bone densitometers. 15-40, Apr 15, oa

**Nunley WC Jr**; see **Archer DF**

**Parsons AK**; see **Chez RA**

**Pati S**; see **Pollack AE**

**Pati S, Carignan C, Pollack AE**

What's new with female sterilization: an update. 91-117, Jun, oa

**Phelps JY**; see **Vlahos N**

**Pinkerton JV, Woodson SA**

Perimenopause: easing the transition. 93-114, Jul, oa

**Pirog EC, Richart RM**

Cell cycle. 117-126, Jul, bb

Menometrorrhagia and a polypoid uterine mass. Diagnosis: High-grade endometrial stromal sarcoma. 70-81, Nov, pq

**Platt LD**

Assessment of gestational age. 15-28, Mar, oa

**Pollack AE**; see **Pati S**

**Pollack AE, Carignan C, Pati S**

What's new with male sterilization: an update. 41-67, Jul, oa

**Queenan CN**; see **Queenan JT**

**Queenan JT**

Appreciation, admiration, and anticipation. 8-11, Feb, ed

Better loving through chemistry? 8-11, Jun, ed

*Contemporary OB/GYN*: looking back and looking forward. 10-12, May 15, ed

European tobacco 'smoke screen'. 12-15, Apr, ed

Freewheeling managed-care enterprise. 8-11, Dec, ed

Genetic amniocentesis. 16-24, Apr, oa

Human potential: a global perspective. 10-13, Jul, ed

Ob-gyn in the year 2025. 8-11, Mar, ed

Of epidurals and patient equality. 10-13, Oct, ed

On the front lines, in ob-gyn and on the Yangtze. 8-13, Sep, ed

Redlining comes to managed care. 8-11, Nov, ed

There's still no place like home. 8-11, Aug, ed

UK medical training bottleneck. 8-10, May, ed

**Queenan JT, Queenan CN**

China: land of contrast, land of change. 36-46, Aug, oa

**Rabin DS**

Understanding why women won't take HRT. 133-141, Jan, oa

**Reedy M, Uy K, Thompson E, Rayburn WL**

Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa

**Richart RM**

Cervical neoplasia: past, present, and future. 117-132, May 15, oa

**Richart RM**; see **Pirog EC**

First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa

**Woodson SA**; see **Pinkerton JV**

## SUBJECTS

### ABNORMALITIES

Assessment of gestational age. 15-28, Mar, oa

Baby born with spina bifida. 149, Jun, mu

Counseling for fetal anomalies. 15-19, Oct, oa

Echogenic intracardiac focus. 73-78, Jun, oa

Fertility over 35: Improving the odds. 106-118, May, sy

Fetal echogenic bowel: the bottom line. 53-69, Dec, oa

Fetal nuchal fold translucency screening. 117-131, Mar, oa

First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa

Four-chamber view: expectations and limitations. 89-112, Jan, oa

Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa

Karyotypes. 41-45, Jan, bb

Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa

Lyme disease in pregnancy. 31-39, Jul, oa

Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy

Prenatal diagnosis with fetal cells enriched from maternal blood: Will the promise be fulfilled? 178-188, Sep, oa

Sauna vs. hot tub. 173, Mar, et

Ultrasound fetal survey. 15-28, Jul, oa

Wrongful birth of infant with gastroschisis. 135, Dec, mu

### ABORTION

Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa

China: land of contrast, land of change. 36-46, Aug, oa

*Contemporary OB/GYN*: looking back and looking forward. 10-12, May 15, ed

Counseling for fetal anomalies. 15-19, Oct, oa

Emergency contraception. 156-157, Feb, et

Emergency contraception. Authors' reply. 156-157, Feb, et

First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa

Informed consent. 146-149, Jun, mu

Legacy of *Roe v Wade*: protecting women's health through legal abortion. 33-44, May, oa

Missed abortion. 171, Apr, et

Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy

Sepsis syndrome. 13-16, Dec, oa

### ABORTION, SPONTANEOUS

Fertility over 35: Improving the odds. 106-118, May, sy

Immunology of early pregnancy loss. 40-56, Jun, oa

Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa

### ABSCESSES

Percutaneous abscess drainage in gynecology. 66-74, Apr, oa

Puerperal mastitis. 27-33, Apr, oa

### ABSORPTOMETRY

New generation of bone densitometers. 15-40, Apr 15, oa

### ADENOCARCINOMA

Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa

Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa  
Hepatitis B vaccination for adolescents. 153-161, Sep, oa

### CATHETERIZATION

Interstitial cystitis—a urogynecologic perspective. 119-130, Jun, oa  
Percutaneous abscess drainage in gynecology. 66-74, Apr, oa  
Performing saline infusion sonography. 110-122, Sep, cd  
Performing vacuum-assisted vaginal delivery. 61-67, Nov, cd  
Public bone suburethral stabilization sling: a long-term cure for SUI? 52-76, Feb, oa

### CEFTIAZOXIME

Pyelonephritis in pregnancy. 31-42, Mar, oa

### CELL CYCLE

Cell cycle. 117-126, Jul, bb  
Mitosis, meiosis, and nondisjunction. 47-51, Mar, bb

### CENTRAL NERVOUS SYSTEM

Ultrasound fetal survey. 15-28, Jul, oa

### CEPHALOSPORING

GBS update: a progress report. 71-85, Dec, sy  
Preventing and managing incisional surgical site infections. 69-85, Sep, oa  
Pyelonephritis in pregnancy. 31-42, Mar, oa

### CERCLAGE

Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy

### CEREBRAL PALSY

Lack of fetal movement. 151, Jan, mu

### CERTIFICATION

Contemporary OB/GYN: looking back and looking forward. 10-12, May 15, ed  
Progress in gynecologic oncology. 125-146, May 15, oa

### CERVICAL CANCER

Cervical neoplasia: past, present, and future. 117-132, May 15, oa  
Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa  
Progress in gynecologic oncology. 125-146, May 15, oa

### CERVIX

Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy

### CEASAREAN SECTION

B-Lynch suture for control of massive postpartum hemorrhage. 93-98, Aug, cd  
Emergency C/S results in \$175,000 award. 171, Aug, mu  
GBS update: a progress report. 71-85, Dec, sy  
Group B streptococcal infections in pregnancy. 29-35, Aug, oa  
Misgav Ladach method of Cesarean section. 81-88, Jun, cd  
Missed abortion. Authors' replies. 171, Apr, et  
Mississippi operative vaginal delivery trial: Lessons learned. 60-79, Oct, oa  
No OR available for cesarean section. 148, Jan, mu  
Plenty of blame to go around for post-C/S maternal death. 124-127, May, mu  
Postpartum endometritis. 33-38, Jan, oa  
Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy  
Record \$16.5 million award in case of ruptured uterus. C/P. 175, Apr, mu  
The \$500,000 needle. 172, Aug, mu  
Twenty-five years of cesarean delivery. 87-97, May 15, oa

### CHEMOTHERAPY

Advanced ovarian cancer: recent progress and current challenges. 123-137, Apr, oa  
Caring for the breast cancer survivor. 37-56, May, oa  
Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa  
Current management of endometrial cancer. 85-99, Dec, oa  
Progress in gynecologic oncology. 125-146, May 15, oa  
Role of reassessment laparoscopy in managing ovarian cancer. 101-111, Aug, oa  
Surgical management of dysgerminoma. 98-119, Feb, oa  
Use of ultrasonic surgical aspiration in gynecology. 71-87, Mar, oa

### CHLAMYDIA INFECTIONS

Ophthalmia neonatorum. 25-28, Feb, oa  
Postpartum endometritis. 33-38, Jan, oa

### CHOLESTEROL

Phytoestrogens: fact or fiction. 49-66, Sep, oa  
Sexuality after menopause. 138-159, Apr, sy

### CHORIONIC VILLUS SAMPLING

First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa  
Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy  
Stem cells: What the obstetrician needs to know. 141-155, Jul, oa

### CIRCUMCISION

Humane approach to neonatal circumcision. 135-145, Jun, oa

### CLINDAMYCIN

Postpartum endometritis. 33-38, Jan, oa  
Preventing GBS transmission to neonates. 53-69, Mar, sy

### CLOMIPHENE

Fertility over 35: Improving the odds. 106-118, May, sy  
Then and now—the explosion of reproductive options. 47-59, May 15, oa

### COLORECTAL CANCER

Colorectal cancer screening: why it belongs in gynecologic practice. 49-76, Aug, oa

### COLPOSCOPY

Cervical neoplasia: past, present, and future. 117-132, May 15, oa

### COMPUTED TOMOGRAPHY: see TOMOGRAPHY, X-RAY COMPUTED

### COMPUTERS

New equipment for operative laparoscopy. 43-52, Apr 15, oa  
Telemedicine comes to obstetrics and gynecology. 97-111, Apr 15, oa  
Ultrasound in obstetrics and gynecology: an imaging revolution. 67-84, May 15, oa

### CONDOMS

Adolescents' risk of STD acquisition: developmental considerations. 79-91, Aug, oa  
Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa  
Quarter century of contraception: remarkable advances, increasing success. 13-28, May 15, oa

### CONDYLOMATA ACUMINATA

New therapies for genital condyloma in women. 81-96, Feb, oa  
Use of ultrasonic surgical aspiration in gynecology. 71-87, Mar, oa

### CONFIDENTIALITY

Clinical management of rape in adolescents. 62-78, May, oa  
Gynecologic examination of the prepubertal girl. 71-90, Jul, oa  
Legacy of *Roe v Wade*: protecting women's health through legal abortion. 33-44, May, oa

### CONJUGATION

Cervical neoplasia: past, present, and future. 117-132, May 15, oa

### CONJUNCTIVITIS

Ophthalmia neonatorum. 25-28, Feb, oa

### CONTRACEPTION

Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa  
Caring for the breast cancer survivor. 37-56, May, oa

Mississippi operative vaginal delivery trial: Lessons learned. 60-79, Oct, oa  
Notification rates in Florida. 185, Mar, mu  
Ob, the certified nurse-midwife, and the \$9 million award. 171-172, Aug, mu  
Performing vacuum-assisted vaginal delivery. 61-67, Nov, cd  
Postpartum endometritis. 33-38, Jan, oa  
Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy  
Preventing GBS transmission to neonates. 53-69, Mar, sy  
Prolapsed cord. 164-167, Jul, mu  
Prolonged use of vacuum leads to settlement. 138, Nov, mu  
Shoulder dystocia cases. 168-171, Aug, mu  
Twenty-five years of cesarean delivery. 87-97, May 15, oa

Was planned VBAC delivery to blame for stillbirth? 182, Mar, mu  
What's the standard of care? 127, May, mu  
Woman sent home after membranes rupture. 146-149, Feb, mu

### DENSITOMETRY

New generation of bone densitometers. 15-40, Apr 15, oa

### DEOXYRIBONUCLEIC ACID

Cell cycle. 117-126, Jul, bb  
Cervical neoplasia: past, present, and future. 117-132, May 15, oa  
Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa  
Genetic revolution. 99-104, May 15, oa  
Karyotypes. 41-45, Jan, bb  
Mitosis, meiosis, and nondisjunction. 47-51, Mar, bb  
Testing for genetic susceptibility to ovarian and breast cancer. 88-114, Mar, oa

### DEPRESSION

Date rape: office-based solutions. 133-153, Mar, oa  
Low-tech approach to low-back pain. 80-98, Oct, oa  
One kind of medicine or many? The view from NIH. 123-145, Feb, cd  
Perimenopause: easing the transition. 93-114, Jul, oa  
Sexuality after menopause. 138-159, Apr, sy

### DIABETES MELLITUS

Antepartum fetal monitoring: when, what, and how. 36-45, Sep, oa  
Klinefelter's syndrome: an update. 142-158, Aug, oa  
Newborn's blood sugar not tested. 151, Jan, mu

### DIAGNOSIS, LABORATORY

Amniotic fluid indices of maturity. 15-20, Sep, oa  
Autoimmune disease. 13-31, Jan, oa  
Bisphosphonates for treating and preventing osteoporosis. 105-120, Apr, oa  
Cervical neoplasia: past, present, and future. 117-132, May 15, oa  
Conservative management of severe preeclampsia. 80-105, May, oa  
Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa  
Fetal nuchal fold translucency screening. 117-131, Mar, oa  
Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa  
GBS update: a progress report. 71-85, Dec, sy  
Group B streptococcal infections in pregnancy. 21-26, Oct, oa  
Gynecologic examination of the prepubertal girl. 71-90, Jul, oa  
Hepatitis C, D, and E in pregnancy. 29-38, Jun, oa  
Lyme disease in pregnancy. 31-39, Jul, oa  
Menometrorrhagia and a polypoid uterine mass. Diagnosis: High-grade endometrial stromal sarcoma. 70-81, Nov, pq  
Mother of stillborn infant blames blood bank's reporting delay. 149, Feb, mu  
Nausea and vomiting. 13-16, May, oa  
Ophthalmia neonatorum. 25-28, Feb, oa  
Postpartum endometritis. 33-38, Jan, oa  
Preventing GBS transmission to neonates. 53-69, Mar, sy  
Puerperal mastitis. 27-33, Apr, oa  
Pyelonephritis in pregnancy. 31-42, Mar, oa  
Renal disease. 13-21, Nov, oa  
Routine antenatal laboratory tests and specific screening tests. 15-22, Feb, oa  
Sperm-function tests. 87-108, Sep, oa  
Surgical management of dysgerminoma. 98-119, Feb, oa  
Techniques for isolating pelvic bacterial pathogens. 49-56, Nov, oa

Testing for genetic susceptibility to ovarian and breast cancer. 88-114, Mar, oa  
Three patients sue for condyloma misdiagnosis. 138-141, Nov, mu  
Trichomoniasis. 23-35, Sep, oa  
Vaginitis 1998: Update and guidelines. 116-132, Jan, cd

### DIAGNOSTIC TESTS

Active woman: special health concerns. 131-140, Oct, oa  
Biochemical markers of bone remodeling in day-to-day patient care. 35-46, Nov, oa  
Cardiac disease. 15-26, Aug, oa  
Colorectal cancer screening: why it belongs in gynecologic practice. 49-76, Aug, oa  
Current management of endometrial cancer. 85-99, Dec, oa  
Immunology of early pregnancy loss. 40-56, Jun, oa  
Interstitial cystitis—a urogynecologic perspective. 119-130, Jun, oa  
Low-tech approach to low-back pain. 80-98, Oct, oa  
Perimenopause: easing the transition. 93-114, Jul, oa  
Prenatal diagnosis with fetal cells enriched from maternal blood: Will the promise be fulfilled? 178-188, Sep, oa  
Screening your patients for inherited breast and ovarian cancer: how to collect family history data. 107-132, Nov, oa  
Sepsis syndromes. 13-16, Dec, oa  
Seven steps to the effective treatment of osteoporosis in your practice. 30-50, Feb, oa  
Syncope. 15-25, Jun, oa  
Taking a results-oriented approach to infertility. 100-129, Oct, oa  
Ultrasound in obstetrics and gynecology: an imaging revolution. 67-84, May 15, oa

### DIET

Benign breast disorders: first rule out cancer. 154-172, Mar, oa  
Myth of calcium. 173-174, Mar, et  
Myth of calcium. Author's reply. 174, Mar, et  
Nausea and vomiting. 13-16, May, oa  
One kind of medicine or many? The view from NIH. 123-145, Feb, cd

### DIURETICS

Acute respiratory distress syndrome. 25-33, Nov, oa  
Benign breast disorders: first rule out cancer. 154-172, Mar, oa  
Renal disease. 13-21, Nov, oa

### DNA: see DEOXYRIBONUCLEIC ACID

### DOWN SYNDROME

Echogenic intracardiac focus. 73-78, Jun, oa  
Fetal echogenic bowel: the bottom line. 53-69, Dec, oa  
Fetal nuchal fold translucency screening. 117-131, Mar, oa  
Genetic revolution. 99-104, May 15, oa

### DRUG EFFECTS

Antibiotic use for preventing preterm birth. 26-32, May, oa  
Better living through chemistry? 8-11, Jun, ed  
Bisphosphonates for treating and preventing osteoporosis. 105-120, Apr, oa  
Gonadotropin-releasing hormone analogs (agonists and antagonists). 82-95, Nov, oa  
Nausea and vomiting. 13-16, May, oa  
New therapies for genital condyloma in women. 81-96, Feb, oa  
Sexuality after menopause. 138-159, Apr, sy  
Syncope. 15-25, Jun, oa  
Thirteen-day trial on postop pain medication. 204, Sep, mu  
Trichomoniasis. 23-35, Sep, oa

Gonadotropin-releasing hormone analogs (agonists and antagonists). 82-95, Nov, oa

### LYME DISEASE

Infectious diseases in ob-gyn from 1973 to 1998: emerging pathogens and a changing focus. 107-114, May 15, oa

Lyme disease in pregnancy. 31-39, Jul, oa

### LYMPH NODES

Advanced ovarian cancer: recent progress and current challenges. 123-137, Apr, oa

Caring for the breast cancer survivor. 37-56, May, oa

Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa

Current management of endometrial cancer. 85-99, Dec, oa

Role of reassessment laparoscopy in managing ovarian cancer. 101-111, Aug, oa

Surgical management of dysgerminoma. 98-119, Feb, oa

### MAGNESIUM SULFATE

Conservative management of severe preeclampsia. 80-105, May, oa

### MAGNETIC RESONANCE IMAGING

Low-tech approach to low-back pain. 80-98, Oct, oa

New generation of bone densitometers. 15-40, Apr 15, oa

### MALPRACTICE

Baby dropped during emergency delivery. 147, Jan, mu

Birth control pills and obesity cause embolism. 147-148, Jan, mu

Defense based on usual custom and practice. 200, Sep, mu

Delayed diagnosis. 167, Jul, mu

Distress of late fetal death ruled grounds for suit. 180, Mar, mu

Doctor refuses to order 3-month follow-up mammogram. 146, Feb, mu

Ectopic pregnancy missed. 124, May, mu

\$800,000 settlement for delay in diagnosing endometrial Ca. 141-142, Nov, mu

Electrosurgery leads to burn during cervical biopsy. 146, Feb, mu

Emergency C/S results in \$175,000 award. 171, Aug, mu

Epidural accident. 167, Jul, mu

Erb's palsy case settled. 151, Jan, mu

ERISA can't shield HMO from breast cancer suit. 175, Apr, mu

Failure to timely perform nonstress test blamed for child's brain damage. 141, Nov, mu

Foreign body under uterus. 151, Jan, mu

Hyperinsulinemia causes seizures. 172, Apr, mu

Infant born with hyoplastic left heart. 135, Dec, mu

Insurer needn't pay the piper for sexually deviant doc. 182, Mar, mu

Lack of fetal movement. 151, Jan, mu

LAVH causes brain damage. 203-204, Sep, mu

Missed appendicitis. 135, Dec, mu

Missing breast cancer diagnosis leads to lawsuit. 156-159, Oct, mu

Missing fetal heart rate strip. 130, Dec, mu

Mother of stillborn infant blames blood bank's reporting delay. 149, Feb, mu

Negligent answering service. 124, May, mu

Negligent prescription of Danocrine. 147, Jan, mu

Cervical neoplasia: past, present, and future. 117-132, May 15, oa  
Progress in gynecologic oncology. 125-146, May 15, oa

### MEDICAL RECORDS

GBS update: a progress report. 71-85, Dec, sy  
Genetic amniocentesis. 16-24, Apr, oa  
Telemedicine comes to obstetrics and gynecology. 97-111, Apr 15, oa  
Ultrasound fetal survey. 15-28, Jul, oa

### MENOPAUSE

Biochemical markers of bone remodeling in day-to-day patient care. 35-46, Nov, oa  
Bisphosphonates for treating and preventing osteoporosis. 105-120, Apr, oa  
Foreword: Your menopausal patient: Individualizing management. 3, Jun (suppl), ed  
Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa  
Gonadotropin-releasing hormone analogs (agonists and antagonists). 82-95, Nov, oa  
Mood, cognition, and dementia: Effects of postmenopausal hormone therapy. 4-24, Feb (suppl), sy  
New generation of bone densitometers. 15-40, Apr 15, oa  
Perimenopause: easing the transition. 93-114, Jul, oa  
Phytoestrogens: fact or fiction. 49-66, Sep, oa  
Seven steps to the effective treatment of osteoporosis in your practice. 30-50, Feb, oa  
Sexuality after menopause. 138-159, Apr, sy  
Understanding why women won't take HRT. 133-141, Jan, oa  
Your menopausal patient: Individualizing management. 4-26, Jun (suppl), sy

### MENSTRUAL CYCLE

Benign breast disorders: first rule out cancer. 154-172, Mar, oa  
Performing saline infusion sonography. 110-122, Sep, cd  
Phytoestrogens: fact or fiction. 49-66, Sep, oa  
What's new with female sterilization: an update. 91-117, Jun, oa

### MENSTRUAL DISORDERS

Current management of endometrial cancer. 85-99, Dec, oa  
Menometrorrhagia and a polypoid uterine mass. Diagnosis: High-grade endometrial stromal sarcoma. 70-81, Nov, pq  
Perimenopause: easing the transition. 93-114, Jul, oa  
Taking a results-oriented approach to infertility. 100-129, Oct, oa

### MENTAL RETARDATION

Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa

### METABOLIC DISEASE

Stem cells: What the obstetrician needs to know. 141-155, Jul, oa

### METHOTREXATE

Is methotrexate optimal first-line therapy for ectopic pregnancy? 142-160, Oct, co  
Legacy of *Roe v Wade*: protecting women's health through legal abortion. 33-44, May, oa

### METRONIDAZOLE

Trichomoniasis. 23-35, Sep, oa  
Vaginitis 1998: Update and guidelines. 116-132, Jan, cd

### MIGRAINE

Perimenopause: easing the transition. 93-114, Jul, oa

### MITOSIS

Cell cycle. 117-126, Jul, bb  
Mitosis, meiosis, and nondisjunction. 47-51, Mar, bb

### MONITORING, PHYSIOLOGIC

Conservative management of severe preeclampsia. 80-105, May, oa

### MORBIDITY AND MORTALITY

Amniotic fluid embolus. 204, Sep, mu  
Cardiac disease. 15-26, Aug, oa  
Colorectal cancer screening: why it belongs in gynecologic practice. 49-76, Aug, oa  
Conservative management of severe preeclampsia. 80-105, May, oa  
Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa

### MRI ~~see~~ MAGNETIC RESONANCE IMAGING

### MUSCULOSKELETAL SYSTEM

Active woman: special health concerns. 131-140, Oct, oa  
Low-tech approach to low-back pain. 80-98, Oct, oa

### MYOMA

Gonadotropin-releasing hormone analogs (agonists and antagonists). 82-95, Nov, oa  
Laparoscopic suturing: a fast and easy new technique. 61-71, Jun, oa  
Menometrorrhagia and a polypoid uterine mass. Diagnosis: High-grade endometrial stromal sarcoma. 70-81, Nov, pq

### NAUSEA

Nausea and vomiting. 13-16, May, oa

### NECROSIS

Preventing and managing incisional surgical site infections. 69-85, Sep, oa

### NEGLECT

\$800,000 settlement for delay in diagnosing endometrial Ca. 141-142, Nov, mu  
Ultrasound fetal survey. 15-28, Jul, oa

### NEPHROSIS

Renal disease. 13-21, Nov, oa

### NEURAL TUBE DEFECTS

Genetic revolution. 99-104, May 15, oa  
Ultrasound in obstetrics and gynecology: an imaging revolution. 67-84, May 15, oa

### NIPPLE DISCHARGE

Benign breast disorders: first rule out cancer. 154-172, Mar, oa

### NIPPLES

Antepartum fetal monitoring: when, what, and how. 36-45, Sep, oa

### NONSTEROIDAL ANTI-INFLAMMATORY DRUGS

Low-tech approach to low-back pain. 80-98, Oct, oa  
Performing saline infusion sonography. 110-122, Sep, cd

### NONSTRESS TEST

Antepartum fetal monitoring: when, what, and how. 36-45, Sep, oa

### NORETHINDRONE

Gonadotropin-releasing hormone analogs (agonists and antagonists). 82-95, Nov, oa

### NSAIDS: ~~see~~ NONSTEROIDAL ANTI-INFLAMMATORY DRUGS

Acute respiratory distress syndrome. 25-33, Nov, oa

### POLYCYSTIC OVARY SYNDROME

Foreword: Diagnosis and management of polycystic ovary syndrome. 3, Jul (suppl), ed  
Diagnosis and management of polycystic ovary syndrome. 4-26, Jul (suppl), sy

### POSTOPERATIVE CARE

My approach to surgical correction of total uterovaginal prolapse. 72-87, Jan, oa  
Progress in gynecologic oncology. 125-146, May 15, oa  
Public bone suburethral stabilization sling: a long-term cure for SUI? 52-76, Feb, oa

### POSTOPERATIVE COMPLICATIONS

B-Lynch suture for control of massive postpartum hemorrhage. 93-98, Aug, cd  
First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa  
In defense of the Balfour. 149, Jun, mu  
Interceded use and adhesion prevention in gynecology. 96-102, Nov, oa  
Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa  
Negligently performed laparoscopy causes death. 159, Oct, mu  
Public bone suburethral stabilization sling: a long-term cure for SUI? 52-76, Feb, oa  
Techniques for isolating pelvic bacterial pathogens. 49-56, Nov, oa  
What's new with female sterilization: an update. 91-117, Jun, oa  
What's new with male sterilization: an update. 41-67, Jul, oa

### PREDNISONE

Autoimmune disease. 13-31, Jan, oa  
Sperm-function tests. 87-108, Sep, oa

### PRECLAMPSIA

Conservative management of severe preeclampsia. 80-105, May, oa  
Renal disease. 13-21, Nov, oa

### PREGNANCY, MULTIPLE: see GESTATION, MULTIPLE

### PREGNANCY COMPLICATIONS

Acute respiratory distress syndrome. 25-33, Nov, oa  
Antepartum fetal monitoring: when, what, and how. 36-45, Sep, oa  
Autoimmune disease. 13-31, Jan, oa  
Cardiac disease. 15-26, Aug, oa  
Conservative management of severe preeclampsia. 80-105, May, oa  
Group B streptococcal infections in pregnancy. 21-26, Oct, oa  
Hepatitis C, D, and E in pregnancy. 29-38, Jun, oa  
Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa  
Lyme disease in pregnancy. 31-39, Jul, oa  
Nausea and vomiting. 13-16, May, oa  
Preventing GBS transmission to neonates. 53-69, Mar, sy  
Pylonephritis in pregnancy. 31-42, Mar, oa  
Renal disease. 13-21, Nov, oa  
Routine antenatal laboratory tests and specific screening tests. 15-22, Feb, oa  
Sepsis syndromes. 13-16, Dec, oa  
Syncope. 15-25, Jun, oa  
Twenty-five years of cesarean delivery. 87-97, May 15, oa

### PREGNANCY, ECTOPIC

Ectopic pregnancy missed. 124, May, mu  
Is methotrexate optimal first-line therapy for ectopic pregnancy? 142-160, Oct, oa  
What's new with female sterilization: an update. 91-117, Jun, oa  
What's new with male sterilization: an update. 41-67, Jul, oa

### PREMATURE RUPTURE OF MEMBRANES

Antepartum fetal monitoring: when, what, and how. 36-45, Sep, oa  
Antibiotic use for preventing preterm birth. 26-32, May, oa  
Preventing GBS transmission to neonates. 53-69, Mar, sy

### PRENATAL CARE

Routine antenatal laboratory tests and specific screening tests. 15-22, Feb, oa

### PRENATAL DIAGNOSIS

Amniotic fluid indices of maturity. 15-20, Sep, oa  
Antepartum fetal monitoring: when, what, and how. 36-45, Sep, oa  
Fetal echogenic bowel: the bottom line. 53-69, Dec, oa  
Fetal nuchal fold translucency screening. 117-131, Mar, oa  
First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa  
Four-chamber view: expectations and limitations. 89-112, Jan, oa  
Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa  
Genetic amniocentesis. 16-24, Apr, oa  
Genetic revolution. 99-104, May 15, oa  
Prenatal diagnosis with fetal cells enriched from maternal blood: Will the promise be fulfilled? 178-188, Sep, oa

### PREOPERATIVE CARE

Current management of endometrial cancer. 85-99, Dec, oa  
My approach to surgical correction of total uterovaginal prolapse. 72-87, Jan, oa  
Preventing and managing incisional surgical site infections. 69-85, Sep, oa

### PROGESTATIONAL AGENTS

Current management of endometrial cancer. 85-99, Dec, oa  
Menometrorrhagia and a polypoid uterine mass. Diagnosis: High-grade endometrial stromal sarcoma. 70-81, Nov, pq

### PROGESTERONE

Benign breast disorders: first rule out cancer. 154-172, Mar, oa  
Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa  
Effects of progestins on estrogen cardioprotective effects. 18-26, Sep (suppl), oa  
ERT for endometrial cancer survivors? 160-164, Apr, oa  
Foreword: Natural progesterone: Mechanisms, effects, and safety. 3, Sep (suppl), ed  
Immunology of early pregnancy loss. 40-56, Jun, oa  
Long-term experience with oral micronized progesterone and effects on the endometrium. 10-17, Sep (suppl), oa  
Perimenopause: easing the transition. 93-114, Jul, oa  
Progesterone: Pharmacokinetics and physiologic effects on the central nervous system. 4-9, Sep (suppl), oa

### PROLAPSE

My approach to surgical correction of total uterovaginal prolapse. 72-87, Jan, oa  
Prolapsed cord. 164-167, Jul, mu

### PROM: see PREMATURE RUPTURE OF MEMBRANES

### PROTEINS

Myth of calcium. 173-174, Mar, et  
Myth of calcium. Author's reply. 174, Mar, et

### PROTEINURIA

Conservative management of severe preeclampsia. 80-105, May, oa  
Renal disease. 13-21, Nov, oa

### PRUNITUS

Gynecologic examination of the prepubertal girl. 71-90, Jul, oa

### PSYCHOLOGY

Date rape: office-based solutions. 133-153, Mar, oa

### PUBERTY

Gynecologic examination of the prepubertal girl. 71-90, Jul, oa

### PUBERTY, PRECOCIUS

Gonadotropin-releasing hormone analogs (agonists and antagonists). 82-95, Nov, oa

### PUBLISHING

Appreciation, admiration, and anticipation. 8-11, Feb, ed

### PULMONARY EMBOLISM

Birth control pills and obesity cause embolism. 147-148, Jan, mu  
Defense based on usual custom and practice. 200, Sep, mu

## PYELOPHREITIS

Pyelonephritis in pregnancy. 31-42, Mar, oa

## QUALITY ASSURANCE

Managed care and ethics. 162-176, Sep, sy

## QUALITY OF LIFE

Caring for the breast cancer survivor. 37-56, May, oa

## QUESTIONNAIRES

Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa  
Date rape: office-based solutions. 133-153, Mar, oa  
Screening your patients for inherited breast and ovarian cancer: how to collect family history data. 107-132, Nov, oa  
Understanding why women won't take HRT. 133-141, Jan, oa

## RADIOGRAPHY

Acute respiratory distress syndrome. 25-33, Nov, oa  
Bisphosphonates for treating and preventing osteoporosis. 105-120, Apr, oa  
New generation of bone densitometers. 15-40, Apr 15, oa

## RADIOTHERAPY

Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa  
Current management of endometrial cancer. 85-99, Dec, oa  
Menometrorrhagia and a polypoid uterine mass. Diagnosis: high-grade endometrial stromal sarcoma. 70-81, Nov, pq  
New generation of bone densitometers. 15-40, Apr 15, oa  
Progress in gynecologic oncology. 125-146, May 15, oa  
Surgical management of dysgerminoma. 98-119, Feb, oa

## RAPE

Clinical management of rape in adolescents. 62-78, May, oa  
Date rape: office-based solutions. 133-153, Mar, oa

## RECURRENCE

Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa  
Current management of endometrial cancer. 85-99, Dec, oa  
ERT for endometrial cancer survivors? 160-164, Apr, oa  
Immunology of early pregnancy loss. 40-56, Jun, oa  
Intercede use and adhesion prevention in gynecology. 96-102, Nov, oa  
New therapies for genital condyloma in women. 81-96, Feb, oa  
Public bone suburethral stabilization sling: a long-term cure for SUI? 52-76, Feb, oa  
Pyelonephritis in pregnancy. 31-42, Mar, oa  
Role of reassessment laparoscopy in managing ovarian cancer. 101-111, Aug, oa  
Treatment options for recurrent endometriosis. 34-41, Oct, oa  
Trichomoniasis. 23-35, Sep, oa  
Vaginitis 1998: Update and guidelines. 116-132, Jan, cd

## REFERRAL AND CONSULTATION

Telemedicine comes to obstetrics and gynecology. 97-111, Apr 15, oa  
Ultrasound fetal survey. 15-28, Jul, oa

## RENAL DISEASES: see KIDNEY DISEASES

## REOPERATION

Preventing and managing incisional surgical site infections. 69-85, Sep, oa  
Role of reassessment laparoscopy in managing ovarian cancer. 101-111, Aug, oa

Surgical management of dysgerminoma. 98-119, Feb, oa  
Treatment options for recurrent endometriosis. 34-41, Oct, oa

## RESEARCH

One kind of medicine or many? The view from NIH. 123-145, Feb, cd

## RESPIRATORY DISTRESS SYNDROME, ADULT

Acute respiratory distress syndrome. 25-33, Nov, oa  
Pyelonephritis in pregnancy. 31-42, Mar, oa

## RESPIRATORY DISTRESS SYNDROME, INFANT

Amniotic fluid indices of maturity. 15-20, Sep, oa

## RISK FACTORS

Clinical management of rape in adolescents. 62-78, May, oa  
Colorectal cancer screening: why it belongs in gynecologic practice. 49-76, Aug, oa  
Controversies in the management of stage 1B cervical cancer. 77-100, Apr, oa  
Date rape: office-based solutions. 133-153, Mar, oa  
ERT for endometrial cancer survivors? 160-164, Apr, oa  
First-trimester amniocentesis: weighing the evidence. 128-138, Jul, oa  
GBS update: a progress report. 71-85, Dec, sy  
Genetic amniocentesis. 16-24, Apr, oa  
Group B streptococcal infections in pregnancy. 21-26, Oct, oa  
Hepatitis C, D, and E in pregnancy. 29-38, Jun, oa  
Identifying women with inherited risk for ovarian cancer: who and why? 27-50, Dec, oa  
Is methotrexate optimal first-line therapy for ectopic pregnancy? 142-160, Oct, oa  
Laparoscopy during pregnancy: a safe alternative to laparotomy? 75-91, Apr 15, oa  
Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy  
Prenatal diagnosis with fetal cells enriched from maternal blood: Will the promise be fulfilled? 178-188, Sep, oa  
Preventing GBS transmission to neonates. 53-69, Mar, sy  
Sauna vs. hot tub. 173, Mar, et  
Screening your patients for inherited breast and ovarian cancer: how to collect family history data. 107-132, Nov, oa  
Sepsis syndromes. 13-16, Dec, oa  
Testing for genetic susceptibility to ovarian and breast cancer. 88-114, Mar, oa  
Understanding why women won't take HRT. 133-141, Jan, oa  
What's new with female sterilization: an update. 91-117, Jun, oa  
Wrongful pregnancy as a new cause of action? 156, Oct, mu

## SEIZURES

Fragile X syndrome: a common cause of mental retardation and premature menopause. 47-70, Jan, oa  
Syncope. 15-25, Jun, oa

## SEPTIC SHOCK

Preventing and managing incisional surgical site infections. 69-85, Sep, oa  
Pyelonephritis in pregnancy. 31-42, Mar, oa  
Sepsis syndromes. 13-16, Dec, oa

## SEX BEHAVIOR

Adolescents' risk of STD acquisition: developmental considerations. 79-91, Aug, oa  
Better loving through chemistry? 8-11, Jun, ed  
Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa  
Date rape: office-based solutions. 133-153, Mar, oa

Hepatitis B vaccination for adolescents. 153-161, Sep, oa  
Legacy of *Roe v Wade*: protecting women's health through legal abortion. 33-44, May, oa  
Sexuality after menopause. 138-159, Apr, sy  
Talking about sex: an interview with Gloria Feldt. 52-58, Apr, oa

## SEX PARTNERS

Sexuality after menopause. 138-159, Apr, sy

## SEXUAL ABUSE

Date rape: office-based solutions. 133-153, Mar, oa  
Gynecologic examination of the prepubertal girl. 71-90, Jul, oa

## SEXUALLY TRANSMITTED DISEASE

Adolescents' risk of STD acquisition: developmental considerations. 79-91, Aug, oa  
Antibiotic use for preventing preterm birth. 26-32, May, oa  
Beyond the birds and the bees: talking to teens about sex. 35-64, Apr, oa  
Clinical management of rape in adolescents. 62-78, May, oa  
Date rape: office-based solutions. 133-153, Mar, oa  
Hepatitis B vaccination for adolescents. 153-161, Sep, oa  
Hepatitis C, D, and E in pregnancy. 29-38, Jun, oa  
Infectious diseases in ob-gyn from 1973 to 1998: emerging pathogens and a changing focus. 107-114, May 15, oa  
New therapies for genital condyloma in women. 81-96, Feb, oa  
Ophthalmia neonatorum. 25-28, Feb, oa  
Quarter century of contraception: remarkable advances, increasing success. 13-28, May 15, oa  
Routine antenatal laboratory tests and specific screening tests. 15-22, Feb, oa  
Techniques for isolating pelvic bacterial pathogens. 49-56, Nov, oa  
Three patients sue for condyloma misdiagnosis. 138-141, Nov, mu  
Trichomoniasis. 23-35, Sep, oa  
Use of ultrasonic surgical aspiration in gynecology. 71-87, Mar, oa

## SHOCK, SEPTIC

Infectious diseases in ob-gyn from 1973 to 1998: emerging pathogens and a changing focus. 107-114, May 15, oa

## SILVER NITRATE

Ophthalmia neonatorum. 25-28, Feb, oa

## SMOKING

China: land of contrast, land of change. 36-46, Aug, oa  
European tobacco 'smoke screen'. 12-15, Apr, ed  
Screening your patients for inherited breast and ovarian cancer: how to collect family history data. 107-132, Nov, oa  
Taking a results-oriented approach to infertility. 100-129, Oct, oa

## SOCIOECONOMIC FACTORS

Adolescents' risk of STD acquisition: developmental considerations. 79-91, Aug, oa  
China: land of contrast, land of change. 36-46, Aug, oa  
Legacy of *Roe v Wade*: protecting women's health through legal abortion. 33-44, May, oa  
Of epidurals and patient equality. 10-13, Oct, ed

## SOY

Phytoestrogens: fact or fiction. 49-66, Sep, oa

## SPERM MOTILITY

Sperm-function tests. 87-108, Sep, oa  
Ten years of laser-assisted gamete and embryo manipulation. 126-150, Sep, oa

## SPERMATOZOA

Fertility over 35: Improving the odds. 106-118, May, sy  
Klinefelter's syndrome: an update. 142-158, Aug, oa  
Sperm-function tests. 87-108, Sep, oa  
Taking a results-oriented approach to infertility. 100-129, Oct, oa  
Ten years of laser-assisted gamete and embryo manipulation. 126-150, Sep, oa  
Then and now—the explosion of reproductive options. 47-59, May 15, oa  
What's new with male sterilization: an update. 41-67, Jul, oa

## SPORTS

Active woman: special health concerns. 131-140, Oct, oa

## STANDARDS OF CARE

Managed care and ethics. 162-176, Sep, sy  
Ultrasound fetal survey. 15-28, Jul, oa  
What's the standard of care? 127, May, mu

## STAPHYLOCOCCUS AUREUS

Puerperal mastitis. 27-33, Apr, oa

## STAPLERS, SURGICAL

New equipment for operative laparoscopy. 43-52, Apr 15, oa

## STEM CELLS

Stem cells: What the obstetrician needs to know. 141-155, Jul, oa

## STERILIZATION REVERSAL

What's new with male sterilization: an update. 41-67, Jul, oa

## STERILIZATION, SEXUAL

China: land of contrast, land of change. 36-46, Aug, oa  
Of failed sterilizations, unforeseeable consequences, and statutes of limitations. 172-175, Apr, mu  
Quarter century of contraception: remarkable advances, increasing success. 13-28, May 15, oa  
Sutures in gynecologic surgery. 57-72, Apr 15, oa  
Use of secupids in failed tubal ligation provokes litigation. 146, Feb, mu  
What's new with female sterilization: an update. 91-117, Jun, oa  
What's new with male sterilization: an update. 41-67, Jul, oa  
Wrongful birth times two. 127, May, mu  
Wrongful births after failed sterilization. 200-203, Sep, mu

## STEROIDS

Conservative management of severe preeclampsia. 80-105, May, oa  
Prematurity in multifetal pregnancy: can we reduce the risk? 112-140, Aug, sy

## STREPTOCOCCAL INFECTIONS

GBS update: a progress report. 71-85, Dec, sy  
Group B streptococcal infections in pregnancy. 21-26, Oct, oa  
Postpartum endometritis. 33-38, Jan, oa  
Preventing GBS transmission to neonates. 53-69, Mar, sy  
Techniques for isolating pelvic bacterial pathogens. 49-56, Nov, oa

## SUBSTANCE ABUSE

Adolescents' risk of STD acquisition: developmental considerations. 79-91, Aug, oa  
Date rape: office-based solutions. 133-153, Mar, oa  
Hepatitis B vaccination for adolescents. 153-161, Sep, oa  
Hepatitis C, D, and E in pregnancy. 29-38, Jun, oa
